## **Description**

Ertech's work at Carramar is a demonstration of a long term, mutually beneficial relationship with its client, Peet Ltd. During peak development periods, Ertech would be working on three different precincts concurrently. Since commencing work on this project, which included the construction of the golf course in 1994, Ertech and Peet Ltd have worked together for 14 years to deliver the following:

- 2,444 lots
- 1707,216m<sup>3</sup> earthworks
- 56,057m<sup>3</sup> retaining walls
- 32,969m sewer pipes
- 30,109m stormwater pipes
- 32,849m water pipes
- 319,407m<sup>2</sup> paved roads
